INTRODUCTION

This guide directs current University of Arizona employees on how to apply for a position using the University of Arizona’s internal applicant portal.

The internal applicant portal allows you to view and apply to both positions that are open to the public and positions that are only available to current University of Arizona employees.

1. ACCESSING THE APPLICANT PORTAL

To access the University of Arizona’s internal applicant portal, copy and paste the following URL into your browser (or click on the URL).

talent.arizona.edu/hr

Log in with your NetID. You will be redirected to an internal welcome page.
Scroll down and click on the **Career Center** tile.

You will be redirected to the internal applicant portal.

## 2. **YOUR APPLICANT PROFILE**

All current UArizona employees will automatically have an applicant profile on the University of Arizona’s internal applicant portal. An applicant profile allows you to save applications, receive status updates and interview information, save your information for future applications, and much more!

### 2.1 **PASSWORD RESET**

All current UArizona employees access the internal applicant portal via their NetID. If you are having trouble with your NetID, please contact [24/7 IT Support](#) at (520) 626-TECH (8324).
3. SEARCHING FOR AVAILABLE POSITIONS

The University of Arizona’s applicant portal allows you to search for all available positions at the University of Arizona through the primary search engine.

The primary search engine allows you to search for positions by job title, keywords and/or locations.

After you have entered your value(s) into the primary search engine, click Search to retrieve all available positions that meet your criteria.
Example of Searching for Positions by Job Title

The primary search engine can be used to search for specific job titles. For example, you can search for the job title of “Academic Advisor”.

Then click **Search** to retrieve all available positions that meet your criteria.

Example of Searching for Positions by Location

The primary search engine can also be used to search for positions by specific location. Within the primary search engine, you can enter the desired location in either the left or right field.

For example, you can search for “Phoenix, AZ, USA” using the field on the left:

OR

You can use the field on the right:

Then click **Search** to retrieve all available positions that meet your criteria.

Example of Searching for Full Time/Part Time Positions

The primary search engine can also be used to search for part time or full time positions. To filter by “part time” or “full time” positions, you can enter either “part time” or “full time” in your search box.

Then click **Search** to retrieve all available positions that meet your criteria.
### 3.1 POSITION DETAIL’S TERMINOLOGY

4. APPLYING FOR POSITION

When you apply to a position through the University of Arizona’s applicant portal, you will be directly submitting your application materials to the hiring department. This section will guide you through completing an application.

4.1 STARTING THE APPLICATION PROCESS

Step One: Find a position that you are interested in. Next, click on the position’s job title.

The website will redirect you to the position details:
Step Two: Review the position details. If the position details align with your interest as well as qualifications, click **Apply Now** at the top or bottom of the page.

By clicking **Apply Now**, you will begin the application process for the selected position.
4.2 GENERAL APPLICATION SECTIONS

In order to submit your application, you will need to complete all the required fields. Any field marked with a red asterisk (*) are required fields. You will not be able to proceed until all required fields are completed.

**Notes:** Your contact information will prepopulate for you. If you have applied to a position before using the internal applicant portal, the system will also prepopulate additional information based on your last application. We recommend reviewing the prepopulated data and updating any information as needed.

Your phone number is listed as “NA” to avoid having your personal phone number shown as your office number in other areas of Talent. Please ensure that your phone number is included in your application materials (such as your resume, cover letter, etc.).

Your address found in the "Contact Details" section is sourced from your employee record in our UAccess Employee system. While these fields are editable, it's important to note that any changes made in the "Contact Details" section will be overwritten by the address you have provided in the UAccess system.

**Contact Information Section**

Within the application, the **Contact Information** section requires applicants to enter their first name, last name and email address. This section should be prepopulated for you.

![Contact Information Section](image)

**Upload Attachments Section**

The **Upload Attachments** section will allow you to attach different documents based on the hiring department’s job posting settings. For instance, you may be required to attach a Resume, Curriculum Vitae, and/or Cover Letter.

![Upload Attachments Section](image)

The **Upload Attachments** section naming convention may vary based on the type of document the hiring department is requesting (either a resume, curriculum vitae, or either).
To upload your resume or curriculum vitae, click **Upload Resume/CV** and follow the system prompts to browse and select your document.

Once you select your document, the following image will appear. The image will disappear automatically after the attachment has fully uploaded.

**Contact Details Section**

Within the **Contact Details** section, you will have the option to enter your address. You will also be required to enter your phone number.
Professional Experience Section

Next, you will have an opportunity to enter your professional experience in the Professional Experience section. The Professional Experience section is not required; however, it is recommended that you complete this section.

To add a professional experience entry, click Add Professional Experience.

A professional experience box will appear. Enter your past and/or current professional experience. The only system required fields for each professional experience entry are Company and Job Title.

To add an additional professional experience entry, click Add Professional Experience. This option is located on the bottom left corner of your last professional experience entry.
To delete a professional experience entry, click **Delete**. This option is located on the bottom right corner of each professional experience entry.

- **Job Title**: Executive Assistant
- **Position Dates**: 1/20/1999 - 1/20/2015
- **Responsibilities / Key Accomplishments**: High level executive support for the University of Arizona. Interpret and implement policies related to the organization. Analyze and resolve complex administrative problems.

To add an education entry, click **Add Education**.

**Education Section**

Next, you will have an opportunity to enter your education in the **Education** section. The **Education** section is not required; however, it is recommended that you complete this section.

To add an education entry, click **Add Education**.

An education box will appear. Enter your education information using the fields provided. The only system required fields are **Institution**, **Degree Level** and **Area of Study**.
To add an additional education entry, click **Add Education**. This option is located on the bottom left corner of your last education entry.

To delete an education entry, click **Delete**. This option is located on the bottom right corner of each education entry.

**Skills/ Certifications/ Licenses Section**
Next, you will have an opportunity to enter your skills, certifications, and/or licenses information in the Skills/Certifications/Licenses section. The Skills/Certifications/Licenses section is not required; however, it is recommended that you complete this section.

To add a skills, certifications, and/or licenses entry, click Add Skill/Certifications/Licenses.

A skills, certifications, and/or licenses box will appear. Enter your skills, certifications, and/or licenses information using the fields provided. None of the fields in this section are system required fields.

To add an additional skills, certifications, and/or licenses entry, click Add Skills/Certifications/Licenses. This option is located on the bottom left corner of your last skills, certifications, and/or licenses entry.

To delete a skills, certifications, and/or licenses entry, click Delete. This option is located on the bottom right corner of each skills, certifications, and/or licenses entry.
Once you have entered all the necessary information under each section, click **Next** to proceed to the next page. The **Next** button is located on the bottom right corner.

**Tip**: If you started an application and need to come back to complete the application at a later time, click **Save**. The **Save** button is located on the bottom left corner of the application. You will need to create a profile to save your progress. After you save your application, the application will be available under **My Profile**.
4.3 SUPPLEMENTAL QUESTIONS

All applications will require you to answer a series of supplemental questions. Some supplemental questions may require additional information based on your response. The images below provide an example of the supplemental questions you may be asked.

Do you have relatives employed in this University of Arizona department?*

- Yes
- No

Do you meet the minimum qualifications listed for this position?*

- Yes
- No
Once you have answered all the supplemental questions, click **Next** to proceed to the next page. The **Next** button is located on the bottom right corner.

### 4.4 VOLUNTARY DEMOGRAPHIC & SELF-IDENTIFICATION QUESTIONS

The **Voluntary Demographic & Self-Identification Questions** page is completely voluntary. As part of our commitment to equal employment opportunity efforts, our institution conducts a survey of all job applicants. Submission of this information is entirely voluntary, and its contents are confidential to
Human Resources. We do, however, appreciate your assistance and ask that you complete the following section.

If you do not wish to disclose the information requested, you may respond accordingly under each question.

Once you have answered the voluntary demographic & self-identification questions, click **Next** to proceed to the next page. The **Next** button is located on the bottom right corner.
4.5 JOB APPLICANT PRIVACY NOTICE

All applications will require you to read and acknowledge to our Job Applicant Privacy Notice in order to submit your application. This notice will share key information related to how your information is collected, used and protected.

Job Applicant Privacy Notice

(Effective Date: 1/1/2020)

This Job Applicant Privacy Notice ("Privacy Notice") applies to job applicants and tells you how the University of Arizona (UA) processes the personal data you submit as part of the application and selection process. It also describes your data protection rights. More information about your rights, and how to exercise these rights, is set out in the Your Rights Section of this notice.

WHAT PERSONAL DATA WE COLLECT

UA collects and processes the following types of personal data about you in connection with your job application.

- Contact details: such as your name, home address, email address, phone number;
- Information relating to your career: such as job history, academic background, qualifications, professional and personal competencies and skills; Information relating to your employment references (ensure you have obtained consent from your references prior to providing us the information);
- Information collected as part of the hiring process such as assessments and interview performance.

After you have read the Job Applicant Privacy Notice, select the Yes radio button to acknowledge that you have read and understand the information defined in the privacy notice.
Click **Next** to proceed to the next page. The **Next** button is located on the bottom right corner.

---

**4.6 CERTIFICATION & E-VERIFY INFORMATION**

All applications will also require you to read and agree to our Applicant Certification. After reading the contents of the certification and the E-Verify information below the certification, click on the **I agree** box in order to proceed with your application.

Click **Next** to proceed to the next page. The **Next** button is located on the bottom right corner.
4.7 Submitting Your Application

The final step of the application process is submitting your application. Before clicking Submit, take a moment to re-review your application. You will not be able to edit your application after submitting.

Prior to clicking Submit, you will also be asked whether you would like your information to be searchable by all hiring departments at the University of Arizona. If you check the Consider me for other positions and allow my information to be searchable box, hiring departments across the University of Arizona will be able to search for you and invite you to apply to other positions. Checking this box is optional.

Once you have reviewed your application content and are ready to submit, click Submit.

You will be redirected to a confirmation page.
You will also receive a confirmation email from talent@email.arizona.edu.

5. CHECKING YOUR APPLICATION STATUS

To check the status of your application, click on My Profile which is located below the primary search engine.

You will be redirected to your Applicant Dashboard. Your Applicant Dashboard contains your personal information, key notifications, action items, and more!

The status of your application will be listed under the Application Status section of the dashboard. Each application will have a Review Status field which reflects the specific application’s status.
5.1 APPLICATION STATUS TABLE

The table below describes and defines the different statuses available for applications.

<table>

The **Hired** status means that you have accepted an offer of employment and have been hired for the position.

6. WITHDRAWING YOUR APPLICATION

If you no longer wish to be considered for a position, you may withdraw your application. To withdraw your application, click on **My Profile** which is located below the primary search engine.

You will be redirected to your **Applicant Dashboard**. Find your application under the **Application Status** section of the dashboard and click on the dropdown arrow corresponding to the application to open a menu.
Next, click **Withdraw**.

You will receive a **Warning** pop-up. Click **Yes**.
You will also receive a confirmation email from talent@email.arizona.edu.

7. TAKING ACTION ON A JOB OFFER
Once the hiring committee selects a candidate that they wish to extend an offer to, the hiring department will request that they accept and sign an offer letter. The hiring committee will ask the candidate to take action on the job offer either via email or through the University of Arizona’s applicant portal.

If the hiring department decides to extend an offer letter via email, the email will be formatted to look like the sample below. If you receive such an email, follow the instructions contained within the email to complete your task.

**Subject:** University of Arizona - Employment Offer - JOB.TITLE (JOB.REQUISITION.ID)

**Body:**

Hello PROFILE.USER.NAME.FIRST,

Congratulations! We are happy to extend you an offer of employment with the University of Arizona for the position of JOB.TITLE.

Please take a moment to review the enclosed offer letter. To accept our offer of employment, please respond to this email with your signed offer letter by the deadline described on the first page. The offer letter also contains a contact should you have any questions related to the terms of this offer.

OFFER.SEND.INSTRUCTIONS

We look forward to your response.

Thank you,
Division of Human Resources, Recruitment
THE UNIVERSITY OF ARIZONA
Office: 520-621-7704

If the hiring committee decides to extend the offer letter via the University of Arizona’s applicant portal, continue using the instructions in this section of the guide to familiarize yourself with the portal and complete the task. This section of the guide will show you how to locate your pending offer and accept/decline the pending offer using the University of Arizona’s applicant portal.

To access your offer, you will first want to log in to the University of Arizona’s internal applicant portal. Once logged in, you can locate any offers pending your acceptance by clicking on the My Jobs option located beneath the search job engines.
Once the site has redirected you to the **My Jobs** page, refer to the **My Tasks** section.

### 7.1 USING THE MY TASKS SECTION

The **My Tasks** section can be filtered by three options: **All**, **Pending** and **Completed**. You can use **My Tasks** to find all offer letter tasks that have been assigned to you.

#### The All Filter

To view all tasks, select the **All** filter. By selecting **All**, you ensure every task is listed, both completed and pending.
The Pending Filter

To view all pending tasks, select the **Pending** filter. By selecting **Pending**, you will only view tasks requiring action.

The Completed Filter
To view all completed tasks, select the **Completed** filter. By selecting Completed, you will only view tasks that you have already taken action on.

Once you see an offer you wish to take action on, click **Launch**.

Once **Launch** has been selected, the University of Arizona’s applicant portal will redirect you to view the offer letter being extended by the hiring department and provide an opportunity to record your response.

To review the terms and conditions of the offer letter, click on the following hyperlink:
Once the hyperlink is selected, the offer letter will automatically download and become available on your device or open in a new tab in your browser, depending on your browser settings.

7.2 TO ACCEPT VIA THE UNIVERSITY OF ARIZONA’S APPLICANT PORTAL

If after reviewing the offer letter you wish to accept the offer, you can proceed by clicking on the Decision dropdown located within the Response section. Select Accepted as depicted below.
